2. Craft the card and print it onto the insert card.
3. Tuck the insert card into the card "Twist".

We used the following fonts: Amatic SC which you can download for free at "Google Fonts".

Our recommendations to you:

- Print on only one card to start with, to check your printer's quality.
- The colours are not to your liking? Choose your desired colour-combination!
- It is always useful to have a spare card to hand.
